APPLICATION FORM - AUTHOR REMUNERATION FOR PUBLIC LENDING OF BOOKS FROM PUBLIC LIBRARIES (PUBLIC LENDING RIGHTS)

The National Book Council is introducing a remuneration scheme which benefits authors whose books are available to borrow from the Public Libraries of Malta and Gozo. Remuneration will be calculated according to lending statistics over the period of one year as gathered from the Central Public Libraries of Malta and Gozo as well as other branches in several localities.

Books will only be considered for this scheme if published under an ISBN issued by the National Book Council – the sole Maltese agent officially representing the International ISBN Agency. Books must also be in line with the law concerning legal deposits which requires that two copies of every publication be deposited in the National Library of Malta.

Should you, as an Author be interested in participating in this scheme you are hereby being asked to fill in the details below and submit your application to the *Secretary, National Book Council, c/o Central Public Library, Joseph J. Mangion Str., Floriana FRN1800*. If, on the other hand, you are an Editor or One of a Group of Authors of a publication/s, the National Book Council would require a list of titles and relevant ISBNs along with this application. Should any information provided change following the submission of this application it is of the utmost important to report said change by submitting a new application which states as much.

Applications are to be sent in by post to the address listed above.
